

From Friends of PAE's President

Rob Wood,
FPAE Board Chair

FPAE's highly successful second year enabled us to supplement and support Portland Adult Education and its programs in some important new ways. Board Members and Coordinator Sarah Robinson worked together to expand our financial resources (see Year at a Glance) as well as FPAE's membership. Our increased funding in 2014 allowed

FPAE to support the following:

- Unified all PAE programs at the Cathedral School site.
- Improved the intake system to accommodate our ever-increasing student enrollment
- Established a \$15,000 scholarship fund to support needy students enrolling in PAE programs.

The Board extends a heartfelt appreciation to the more than 150 Friends and numerous foundations who have made this possible. They are listed on the next page.
